

# ICE-BREAKER™

Model JD125

ICE-BREAKER™ is a one-size-fits all ice cleat that is lightweight and provides aggressive traction on ice and snow. Comfortable underfoot, the ICE-BREAKER can be worn on any type of footwear, including flat sole sneakers as well as work boots with defined heels. The ICE-BREAKER is a simple solution for outfitting employees quickly and easily.

The ICE-BREAKER features 18 “molded-in” high-profile tungsten carbide studs for aggressive and permanent traction for everyday walking on ice and snow.
